MINUTES
AD HOC COMMITTEE ON INTELLIGENCE MUSEUM
2 August 1972

Present:

Walter Pforzheimer

James Q. Reber, Chairman

25X1A

CIA Anniversary Exhibit:

Mr. Pforzheimer reviewed his plans for this exhibit which he proposes be in place on September 12.

Cuban Missile Crisis Exhibit:

[Redacted] with his colleagues, briefed the Committee on the development of plans for this exhibit. Everything seems in good order and the committee had no comment except commendation for the work they had done.

Proposal to Locate the Intelligence Museum Function in the Historical Staff:

Members had received copies of the memorandum from the Executive Director proposing the location of the Intelligence Museum function in the Historical Staff. Mr. Pforzheimer, speaking also for Mr. [Redacted] who was on leave, was strongly opposed to the Executive Director's proposal.

After extensive discussion the Chairman proposed that he review this discussion with the Executive Director orally and that he seek to arrange with Mr. Colby for a discussion either with all of the members of the Museum Committee, or at least Messrs. Pforzheimer and [Redacted] so that their point might be most effectively made.
